Consolidated Unaudited Results For the Six Months Ended 30th June, 2002

The Directors of the Caribbean Cement Company Limited Report the Consolidated Unaudited Results for the Six Months Ended 30th June, 2002.

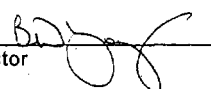

DIRECTORS' STATEMENT

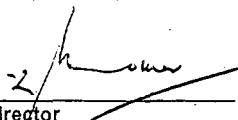

Caribbean Cement Company Limited's performance for the first half of 2002 represents significant improvement over the same period in 2001. Operating Profit increased by 90%, and Net Profit after Tax increased by 83% from \$106m in 2001 to \$194m in 2002. Net Cash Generated by Operating Activities increased by 132% (\$152 million), and Cash and Short-Term funds at June 30th 2002, increased by \$116 million from December 31st, 2001.

The company's superior performance is directly related to the continued improvement in operational efficiencies and the relative increase in market share. Revenue for the period increased to \$1.78 Billion, \$258 million (17%) over the same period last year, as our market share increased from 84% (2001) to 90%, even though it is estimated that the total market size declined by 9%.

Dumped cement that was imported from Indonesia during the first quarter remained on sale during part of the second quarter. On April 3rd, the Anti Dumping and Subsidies Commission in its preliminary determination on imports from Indonesia ruled that the cement imported was dumped. This resulted in the imposition of preliminary duties of 56.21%. However, in its final determination on July 2nd even though the findings remained the same, the duty was reduced to 9.98%. Additionally, retroactive duties have not been imposed on the importers. In light of these findings, Caribbean Cement Company Limited will be seeking Judicial Review of the final determination.

The outlook for the upcoming quarter is optimistic as we continue our cost containment and efficiency strategies. The members of the Board of Directors are confident that the transformation is sustainable. The performance during this first six months validates the potential and possibilities for Caribbean Cement Company Limited.
